

V.S.
— EXPORT —

**Manufacturer & Exporter of
Dehydrated Onion, Garlic & Spices**

Company Introduction

Welcome to V S EXPORT

We are Family-owned enterprise in the field of dehydrated vegetables and raw materials for the foods industry, centrally located in Gujarat

Our core competence in especially with onion, garlic, Spray dried Powders and other dehydrated vegetables.

V S EXPORT came into inception with the aim of providing quality and cost effective dehydrated vegetables to consumers the world. We are a team of experienced professionals who have vast experience in manufacturing and processing of dehydrated vegetables, with our core expertise in onions, garlic and various other Indian Spices.

The Company

V S EXPORT is extremely committed to providing safe and hygienic dehydrated foods to our customers. We ensure high standards in quality by implementing stringent quality checks and thorough monitoring of the procurement of raw material. Our quality check does not end here though. We maintain the same level of efficiency until the finished product is packed & shipped to every part of the world.

About Quality

Quality is a source of inspiration, satisfaction and pride. The team is committed to total customer satisfaction through consistent supply of reliable products in time. Customer orientation, adoption of state-of-the-art technologies, strategic planning and innovation are intergral to its thought process.

Our products have very low moisture content and perfect packaging, thereby effectively inhibiting all deteriorative processes.

We have sophisticated raw material storage and cold storage facilities.
